Strike Policy for Wee Care Early Childhood Centres

Wee Care Early Childhood Centre Inc. values and appreciates the relationship we have with the School Board and the schools our centres are located in. We have received notice that there may be action taken and a disruption of services. In the event that the teachers go on strike, we will not be open during this time. Please keep in good contact with your child's school to get the best up to date information.

Any parent fees paid for this time will be reimbursed.

We understand that this will cause difficulties for some families and hope that if it occurs, it will not last long. During this time, our staff members will not be working and may make arrangements to care for children on their own. Wee Care Early Childhood Centre Inc. is not involved, responsible or liable in any way and is not monitoring this childcare.

We appreciate everyone's patience and understanding.

If you have any questions regarding this or other matters, please call Carla at 250-898-9661 or our operations manager Lori at 250-465-2771.

Thank you

Carla Carriere - President
